

Mamotte! Lollipop

RPG Skipping a Class???

Pop 21 Skipping a Class??

I've always wanted to draw Alice in Wonderland and I was so happy that I could do a double-page spread of it as a episode page! It's one of my favorite illustrations in all of *Moonstar's Lollipop*.

This episode is all about love! It was the most rewarding story I've ever done, and I even had fun drawing it. Since I used a crow quill pen for the entire episode, the lines appear thinner than usual.
